Career objective

Passionate final-year Information Science Engineering student with hands-on experience in Full Stack development, and a strong passion for Artificial Intelligence and Machine Learning. Eager to develop smart, AI-powered web solutions that combine deep tech with practical impact.

Education

REVA University <i>B. Tech in Information Science and Engineering (CGPA 9.1)</i>	Dec 2022- Present Bengaluru, Karnataka
KLE's Independent P.U. College Percentage - 93.8	June 2020- June 2022 Chikodi, Karnataka

Internship

Unified Mentor April 2025 - May 2025

Project Intern | *Expressjs, React.js, HTML, CSS*

- Developing and maintaining web applications using front-end and back-end technologies, ensuring seamless functionality and user experience.

Projects

🔗 PathPilot- AI-Based Career Guidance

- Engineered the **frontend and backend** using modern web technologies to ensure seamless user experience and scalable performance.
- Integrated **API services** for real-time data processing and career mapping based on user preferences.

🔗 TextSharing

- Developed a secure, no-login text-sharing platform that enables users to share and retrieve text effortlessly without requiring an account.
- Implemented advanced security features, including password protection and self-destruct timers, ensuring confidentiality and controlled access.

Extracurricular Activities

- **Technical Member - AIVerse Club** Contributing to AI-driven projects, conducting workshops for 50+ students, and improving project efficiency by 30%.
- Participated in various hackathons, Selected in top 30 teams in Namma Suraksha National Level Hackathon

Certifications

- 🔗 Software Engineering Job Simulation .
- 🔗 Data Visualisation: Empowering Business with Effective Insights .

Skills

- **Languages:** Python, Java, Javascript, C
- **Developer Tools:** VS code, Jupyter Notebook, Collab
- **Technologies/Frameworks:** React, Git, GitHub, HTML, CSS, Nodejs, Expressjs, MongoDB, MySQL, Bootstrap, flask
- **Areas of Interest:** Web Development, Machine Learning, Artificial Intelligence, DevOps
- **Soft Skills:** Communication Skills, Event Management, Project Management, Leadership
